

So we've looked at me, and my experience of finances- past/present/future. There is clearly a self limiting wound or block there.

This spread goes deeper.

Cards 1-3 how am I experiencing this in my life.

Cards 4-6 what is the root that I can understand at this point (there are often layers, we want to work at a level that can be processed)

Cards 7-9 Practical advice for integrating this work.

Card at the bottom- what I need to know.

Remember you are looking for the overall story arc from the previous two readings.

Shadow work is like pulling at a thread- each reading goes a little deeper!

- What themes are being repeated?
- After a focus on swords- are we getting different suits through?
- What cards are making the presence known by repeating themselves?

Consider;

- How am I experiencing this now?
- Likely root cause.
- Practical advice.
- What the card at the bottom says.
